

Certificate of Participation

This is to certify that

Lydia Gadi

Participated at a SADC Stakeholders Workshop on Sanitary and Phytosanitary (SPS) Awareness Creation where the following topics were covered:

- **The WTO and Key Principles of the WTO SPS Agreement**
- **Functions and Roles of the WTO SPS Committee**
- **Functions and Roles of Regional and National SPS Committees**
- **Animal Health, Plant Health and Food Safety issues in global agro-foods trade**
- **Identification of SPS related non-tariff barriers to trade**
- **Case studies on intra-regional market access for beef, groundnuts, citrus and dairy products**

The workshop was held under the auspices of the
SADC Regional Economic Integration
Support (REIS) programme funded by the European Union.

12 - 13 September 2013
