Questions and issues for discussion

Is the common list of partner countries:

- Too detailed? Yes/No
- Not detailed enough? Yes/No
- Should the full set of Comesa and EAC countries be separately identified in the common core list of countries for reporting to SADC? Yes/No
- Appropriate in content? Yes/No
- Please suggest any amendments that you think would be more appropriate?.....
- Are the country groupings sensible from a SADC perspective? Yes/No .. If No please suggest how they could be revised?.....
- Any comments regarding coding and the need to reference to UN standards?.....
- Any other comments?.....
