

## Trade in Services

### List of Commitments by Namibia

The Republic of Namibia herewith submits its List of Commitments in the framework of the SADC Protocol on Trade in Services. This List covers final offer in construction and energy-related services and energy-related services.

| Modes of supply:  | 1) Cross boarder   | 2) Consumption abroad | 3) Commercial presence                                   | 4) Presence of natural persons |
|---|--|-----------------------|--|--------------------------------|
| Sector or Sub-sector  | Limitations on Market Access                             |                       | Limitations on National Treatment                        | Additional Commitments         |
| <b>II. SECTOR-SPECIFIC COMMITMENTS</b>  |  |                       |  |                                |
| <b>1. Business Services</b>   |  |                       |  |                                |
| <b>A. Professional Services</b>   |  |                       |  |                                |
| e. Engineering services (CPC 8672)  | 1) None  |                       | 1) None  |                                |
| f. Integrated engineering services (CPC 8673)   | 2) None  |                       | 2) None  |                                |
|   | 3) None  |                       | 3) None  |                                |
|   | 4) Unbound except as indicated in the horizontal section |                       | 4) Unbound except as indicated in the horizontal section |                                |
| <b>F. Others</b>  |  |                       |  |                                |
| c. Management consulting services related to energy and mining sector (CPC 865)                       | 1) None  |                       | 1) None  |                                |
| d. Services related to management consulting services for the energy sector (CPC 866)                 | 2) None  |                       | 2) None  |                                |
| e. Technical testing and analysis services (CPC 8676)   | 3) None  |                       | 3) None  |                                |
|   | 4) Unbound except as indicated in the horizontal section |                       | 4) Unbound except as indicated in the horizontal section |                                |
| f. Related scientific and technical consulting services: off-shore oil and gas exploration(CPC 86751) | 1) None  |                       | 1) None  |                                |
|   | 2) None  |                       | 2) None  |                                |
|   | 3) None  |                       | 3) None  |                                |
|   | 4) None  |                       | 4) None  |                                |
| g. Services incidental to mining (CPC 883 + 5115)   | 1) None  |                       | 1) None  |                                |
| h. Services incidental to energy distribution (CPC 887) Only distribution (transmission excluded)     | 2) None  |                       | 2) None  |                                |
|   | 3) None  |                       | 3) None  |                                |
|   | 4) Unbound except as indicated in the horizontal section |                       | 4) Unbound except as indicated in the horizontal section |                                |
